Registration of Boiler Manufacturer under Boiler Act 1923

This is comprehensive user manual for the Registration of Boiler Manufacturer under the Boiler Act of 1923, within the framework of the Single Window System in Jammu and Kashmir. This pivotal service ensures adherence to safety standards and regulatory compliance within the boiler manufacturing sector. Governed by the historic Boiler Act of 1923, this registration process plays a crucial role in fostering industrial safety and reliability.

This manual provides step-by-step instructions on the application process. With a focus on efficiency and transparency, this user manual aims to empower stakeholders by simplifying complex procedures.

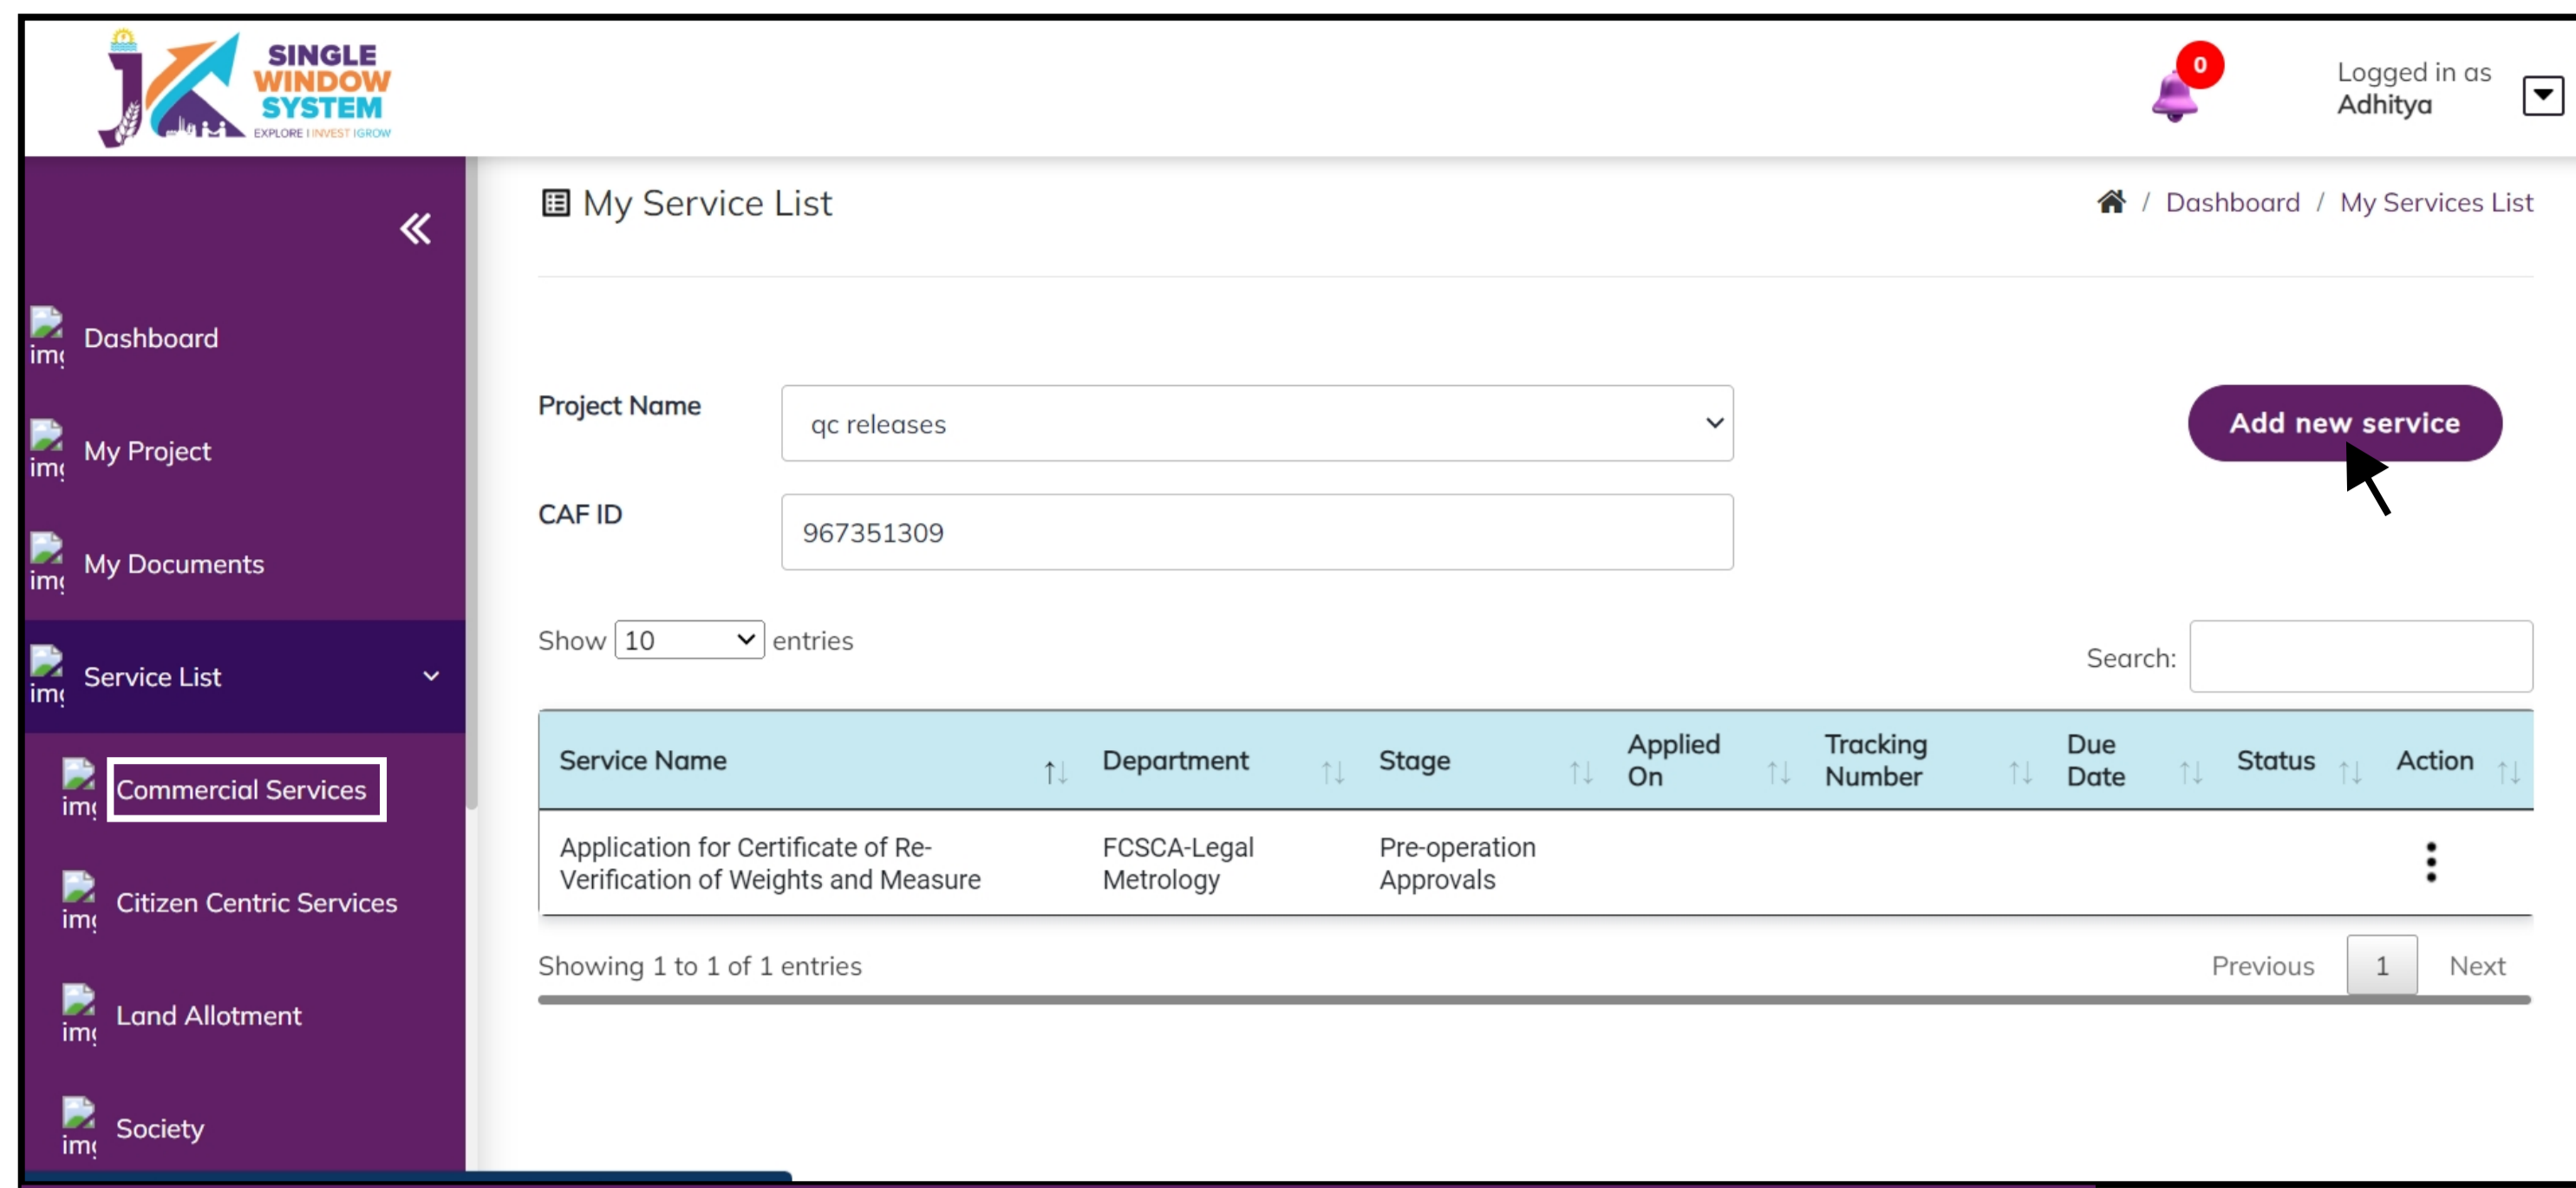

Access the Website: Open your web browser and visit the official website: <https://singlewindow.jk.gov.in/>

Log in using your provided credentials. If you do not have an account yet, you will need to register to avail of our services. For registration assistance, please refer to our registration guide or contact our support team.

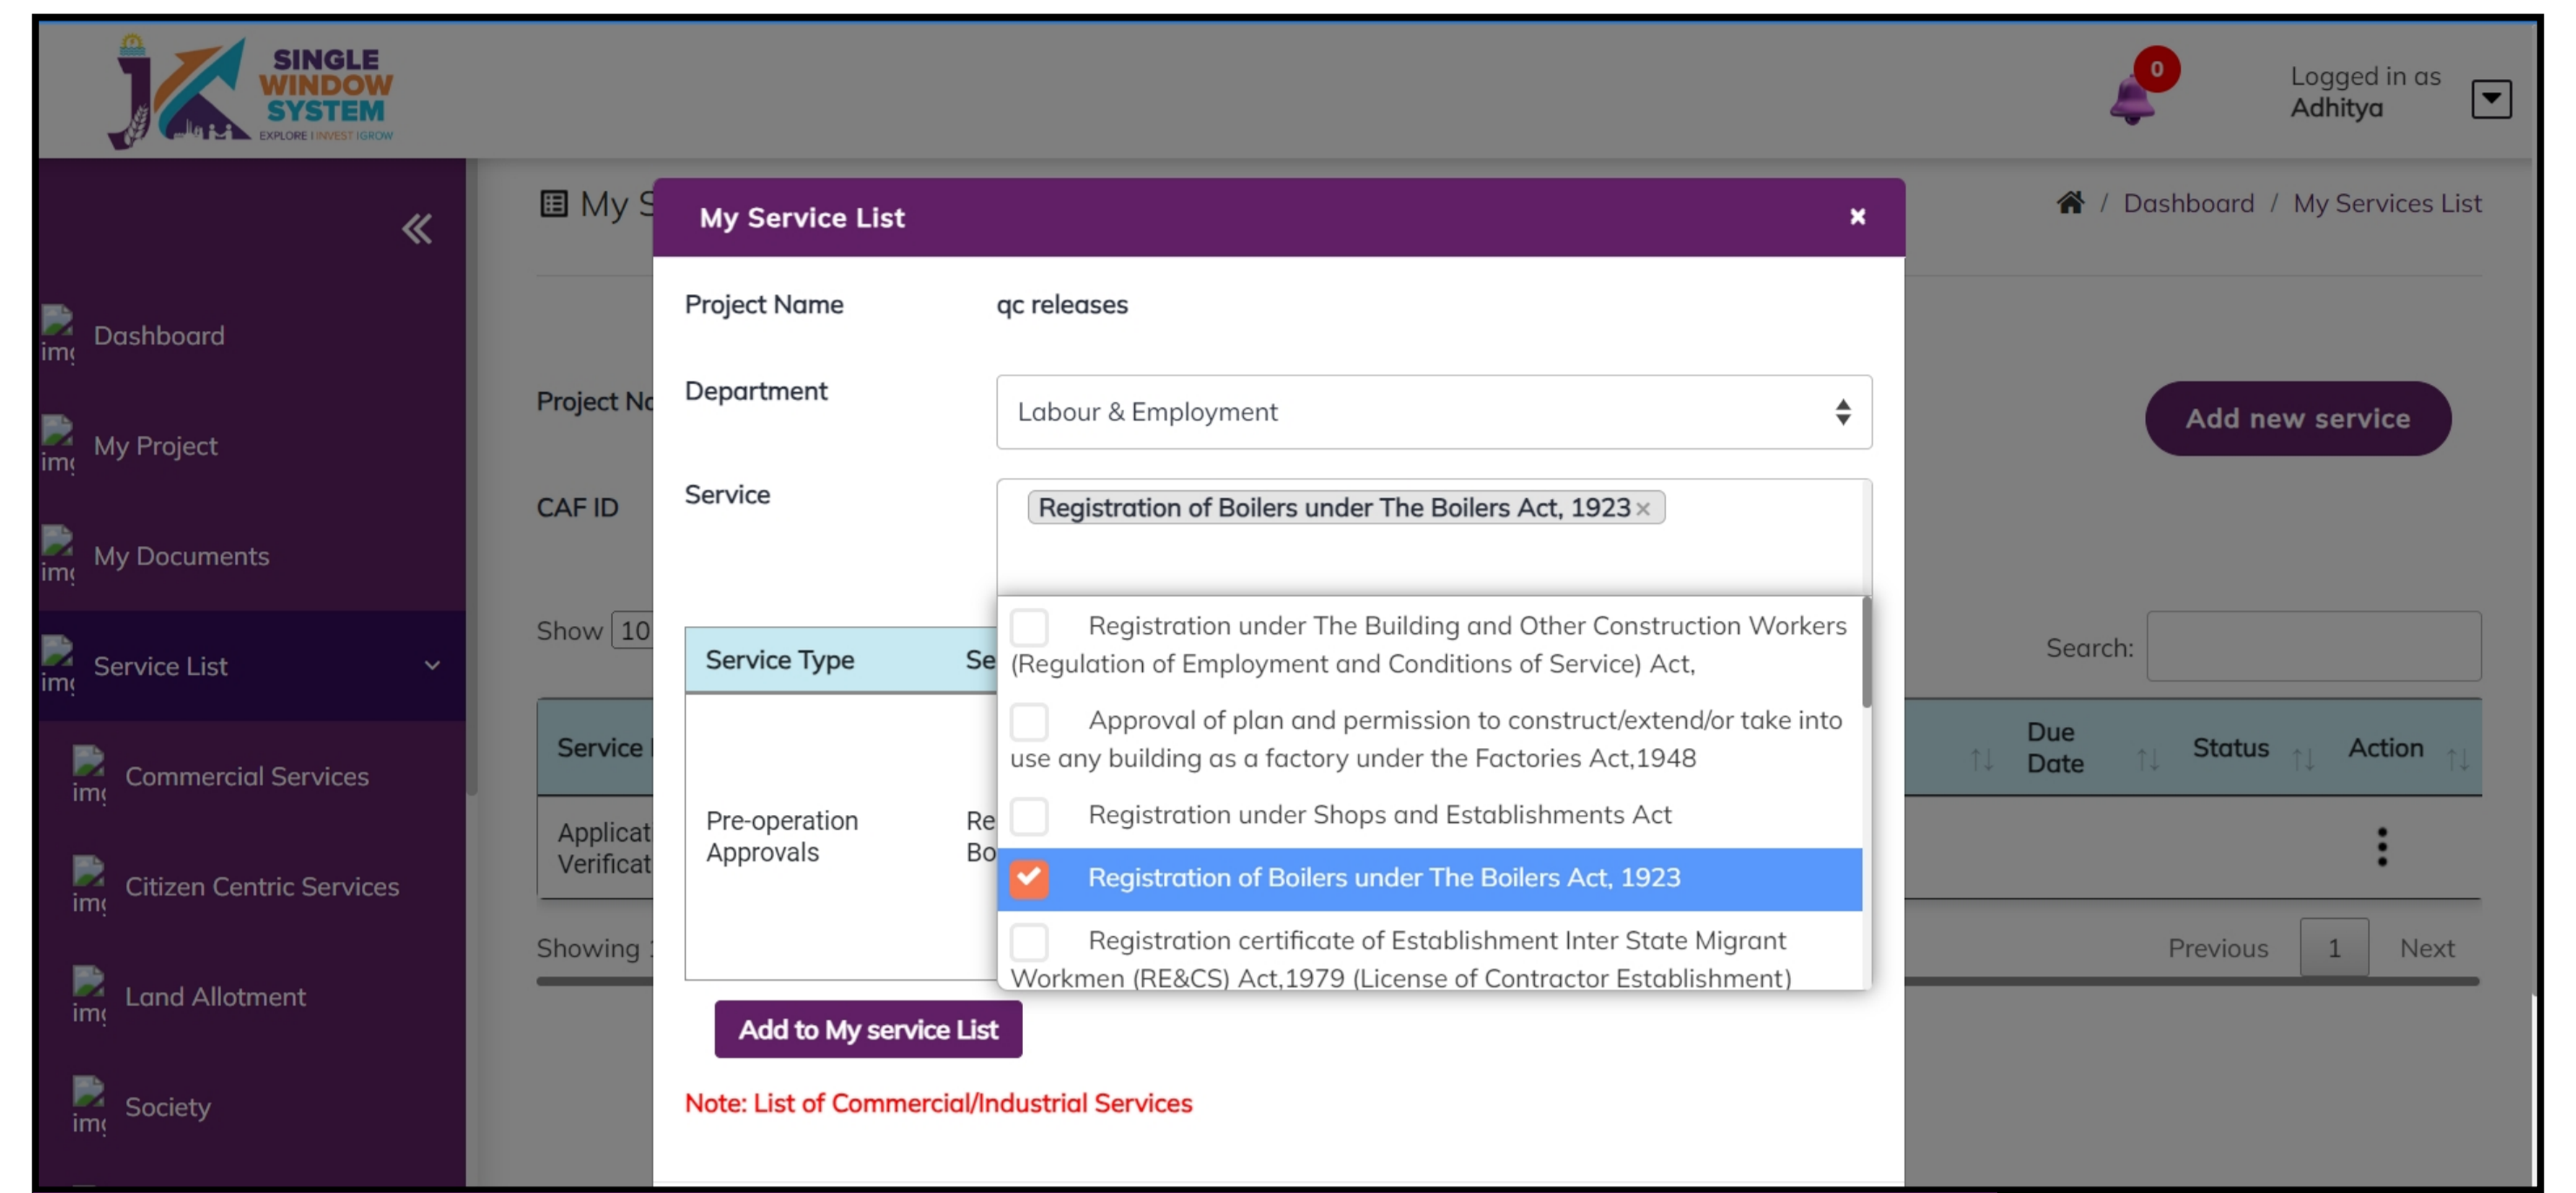

The screenshot displays the login interface of the Single Window System (JK-SWS). On the left, there is a login form with the following elements: a 'WELCOME TO' message, the 'SINGLE WINDOW SYSTEM' logo, a 'SINGLE SIGN-ON (SSO)' label, a 'Username' input field, a 'Password' input field with a toggle for visibility, a 'Forgot Password?' link, a CAPTCHA field showing '74448' with a refresh button, a 'SIGN IN' button, a link for 'Don't have a J&K Single Window SSO account? SIGN UP NOW', and a link for 'Need Help??? Click here to see the user manual' with a 'User Manual' button. On the right, there is a banner with the 'SINGLE WINDOW SYSTEM' logo and a descriptive paragraph: 'The Single Window System (JK-SWS) is a digital platform for guidance of investors to identify and to apply for approvals as per their business requirements. It serves as a single point of contact for investors. The portal serves as a source of information for investors on government policies, incentive programmes, and infrastructure availability. It provides investors with documents to assist them in understanding the application process for potential investment projects. The platform would also make it easier for several stakeholder departments to process and approve investment applications online.'

Now, the following page will appear.

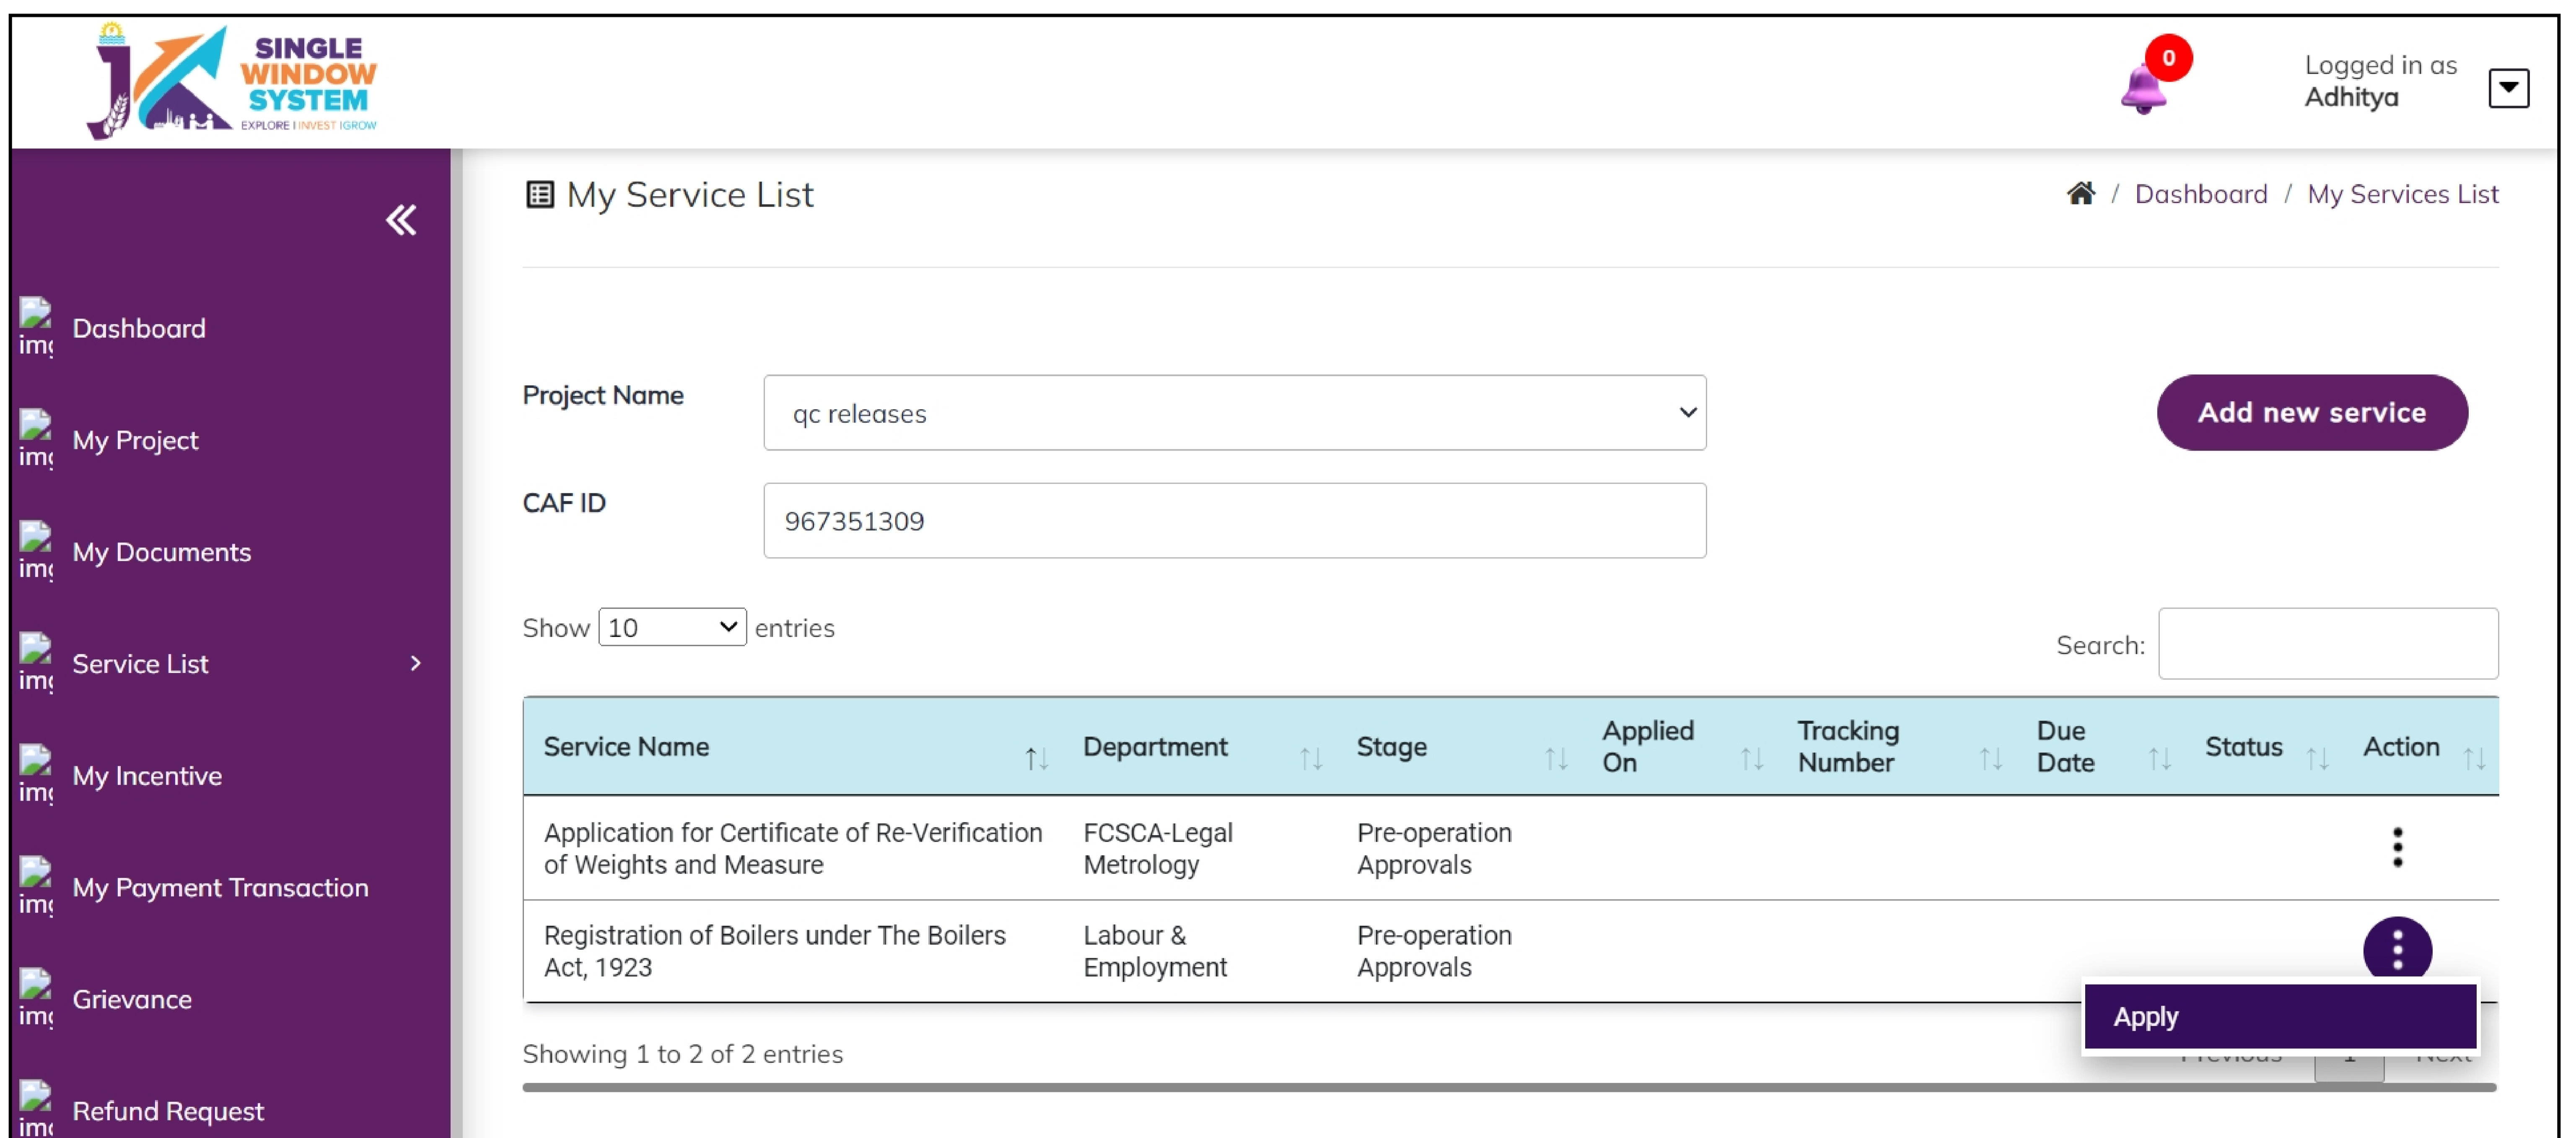

1. Select Service List > Commercial Services from the left side menu and then click on Add New Service.

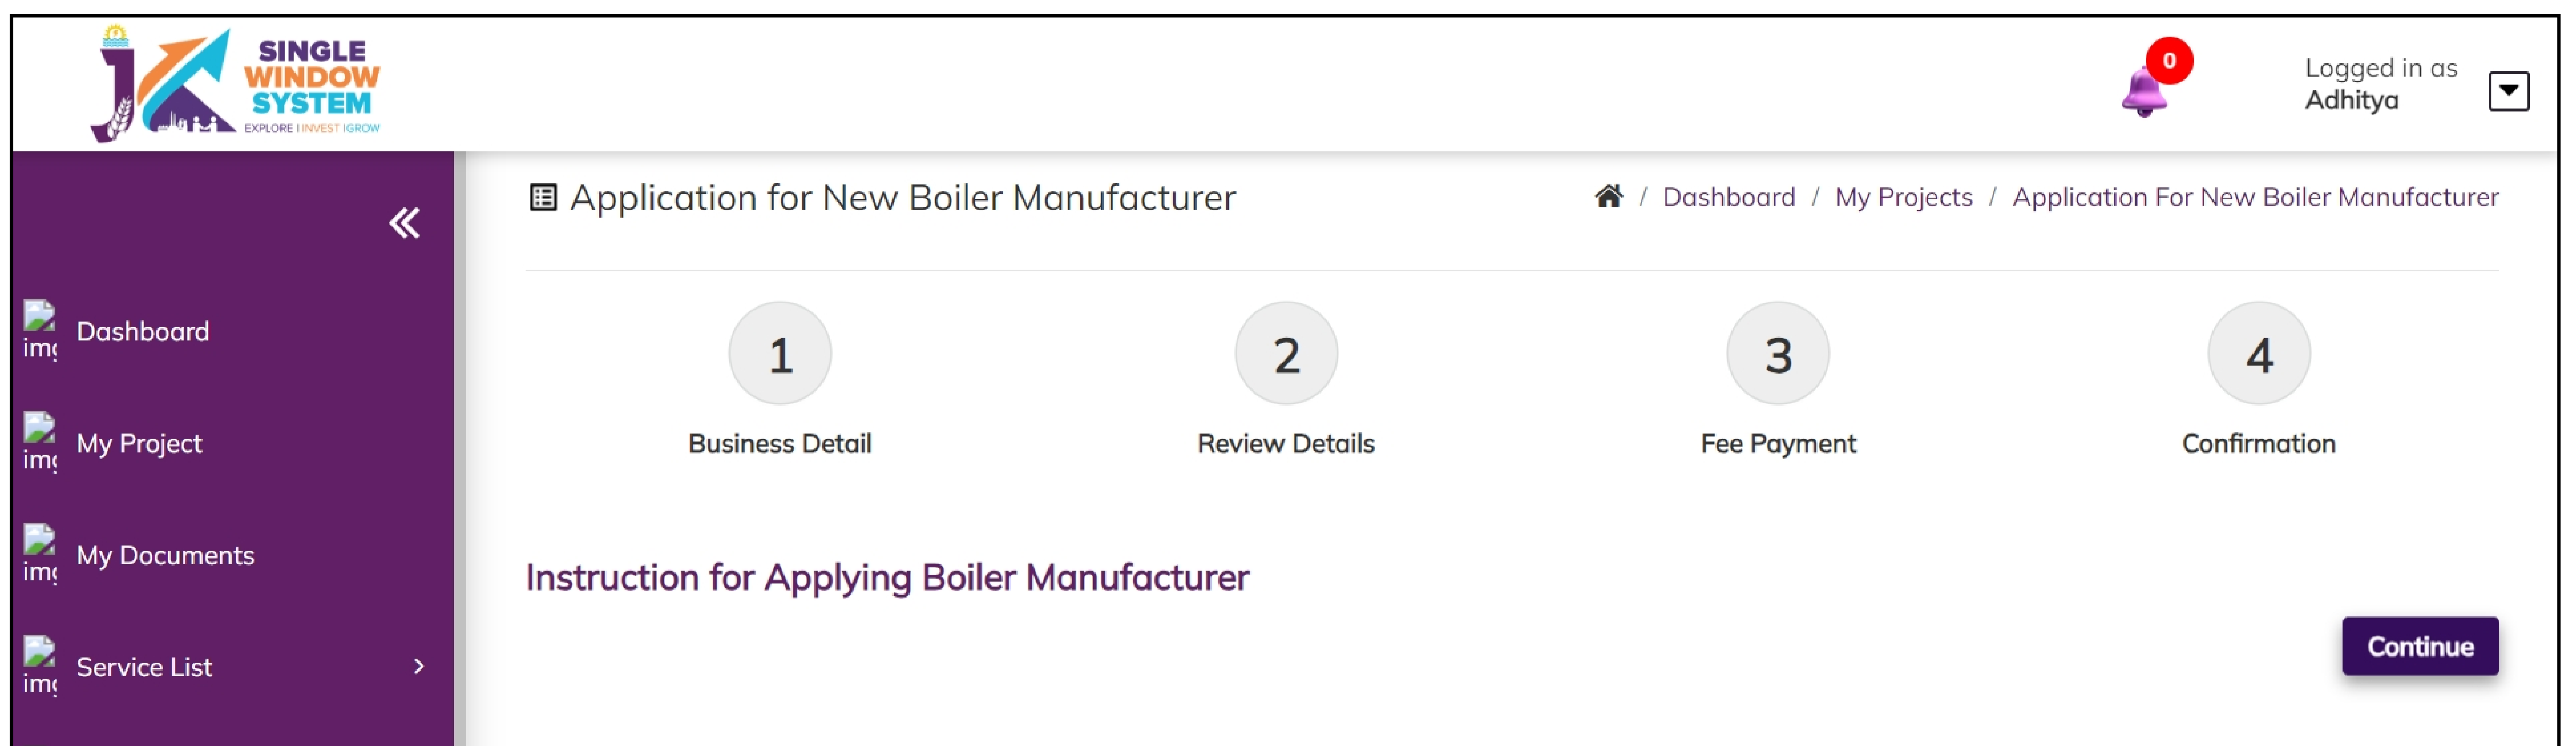

2. Select Labour & Employment from Department drop-down list and then select service to add.

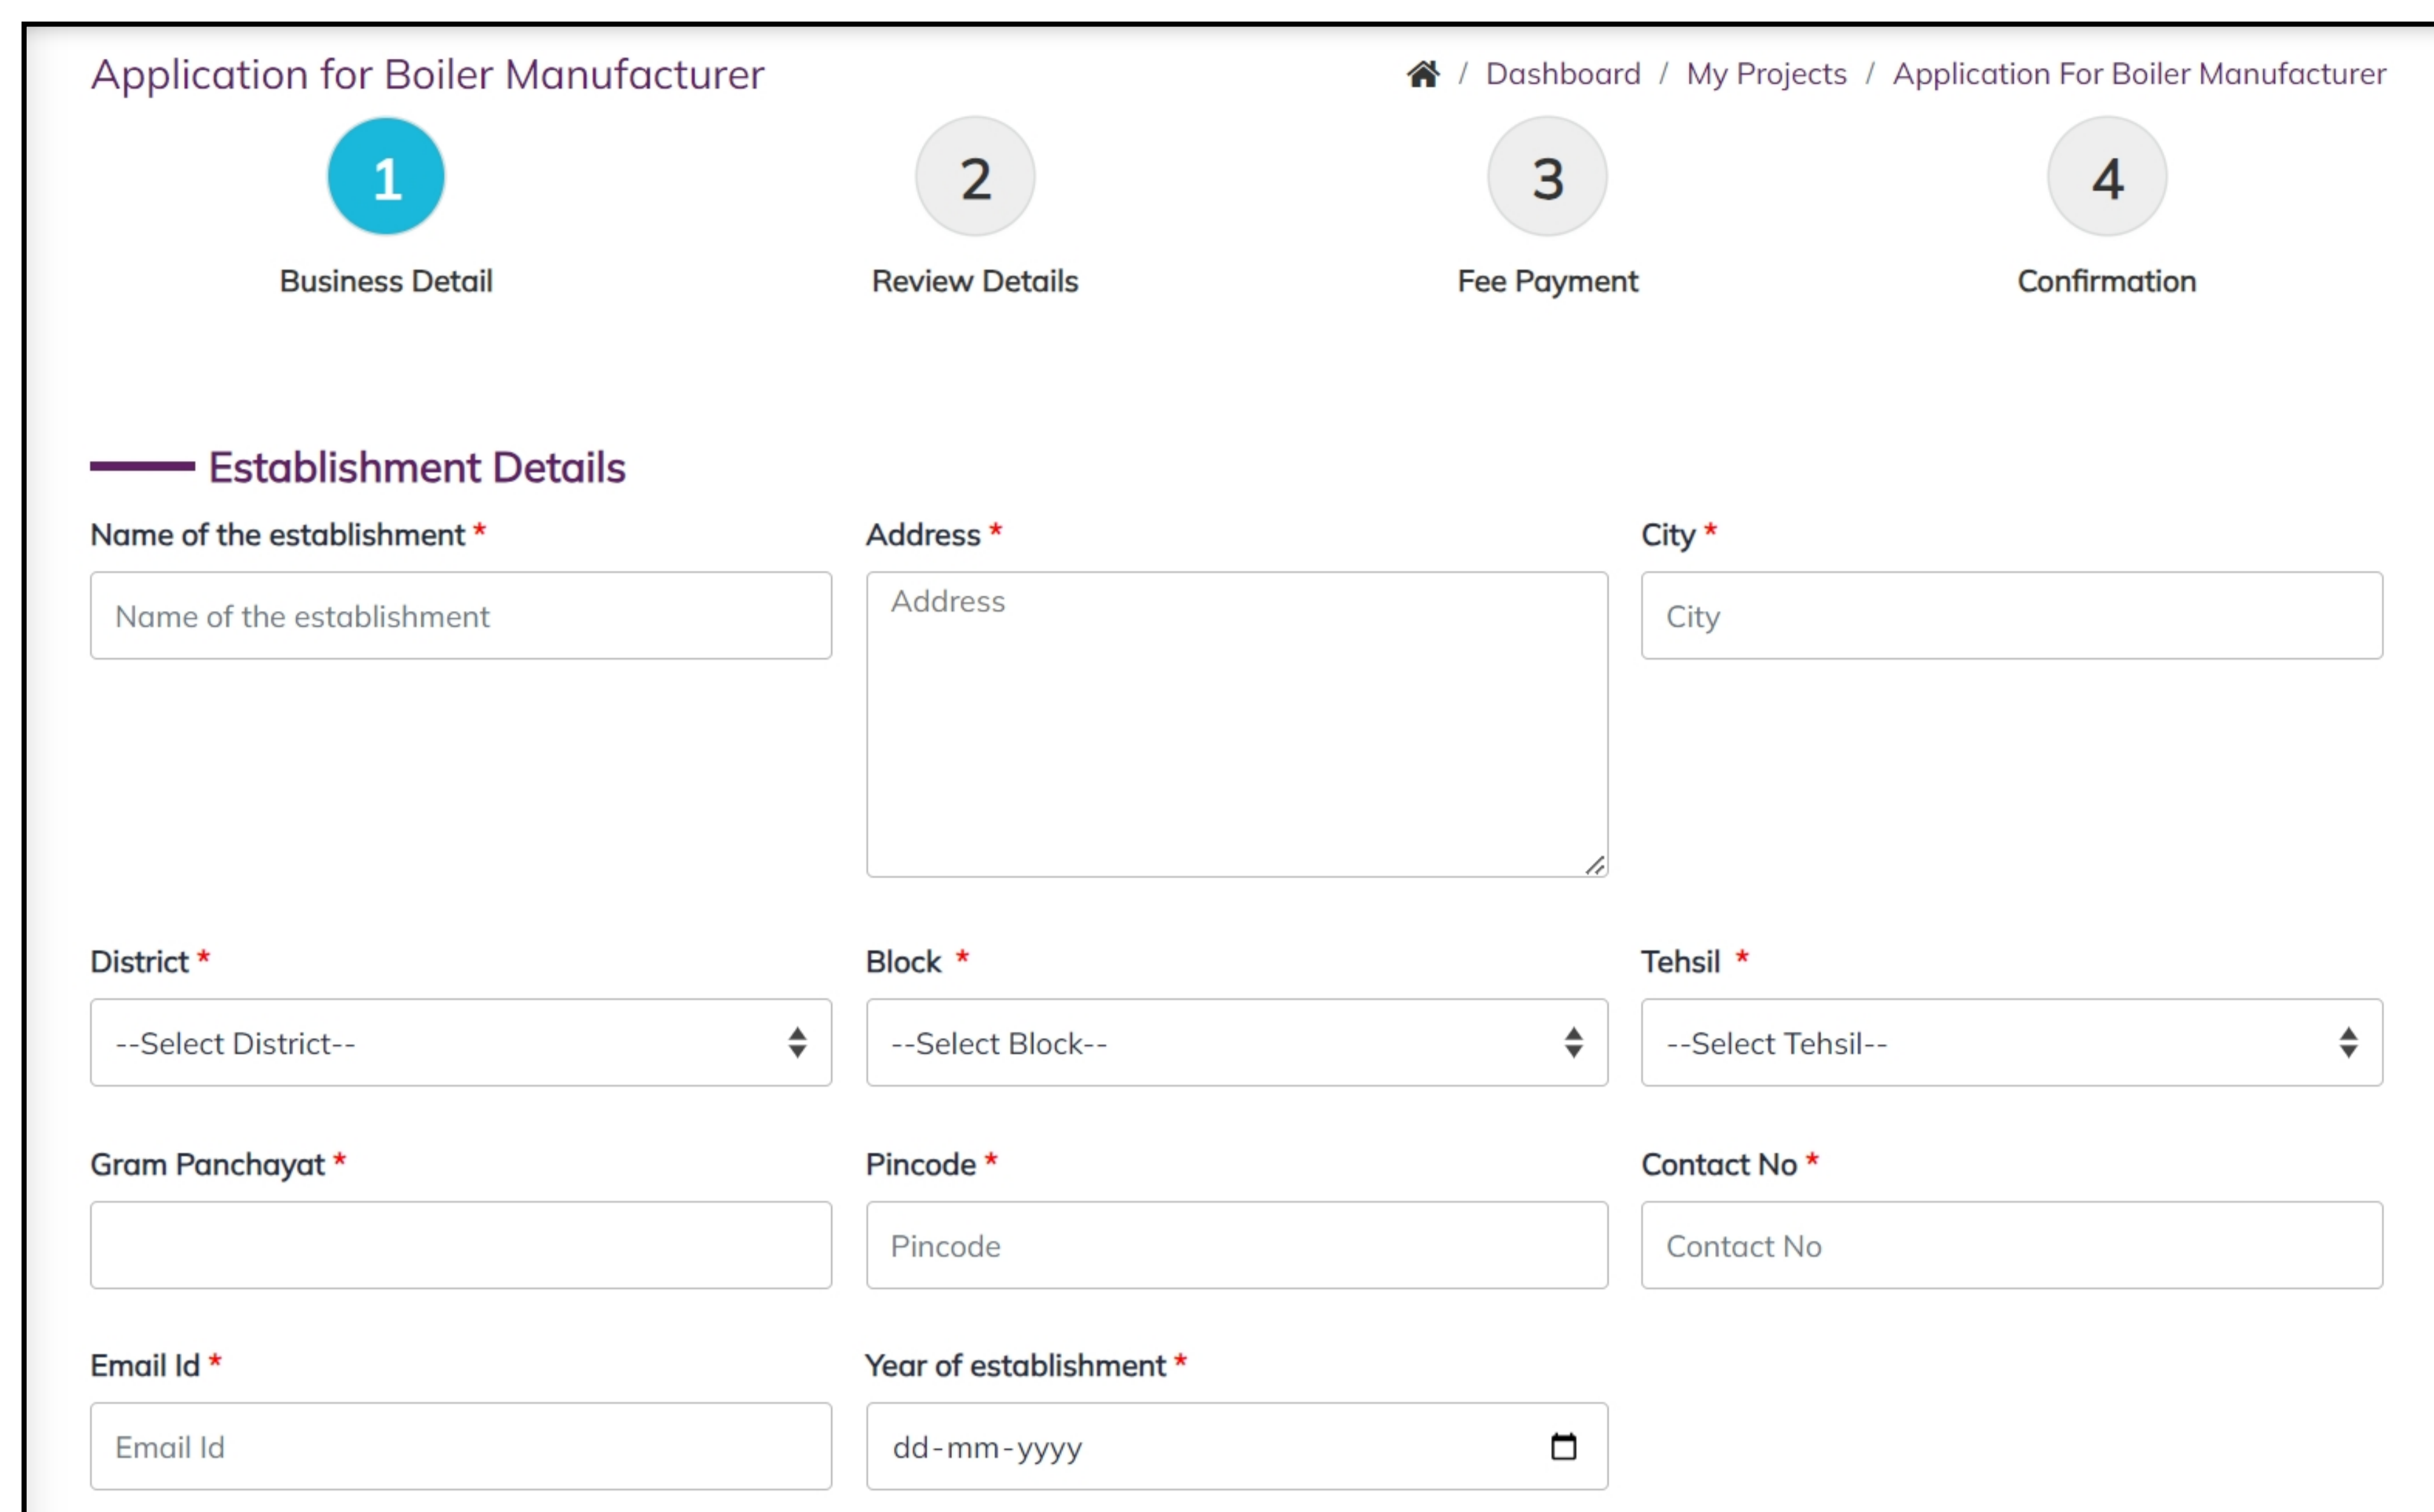

After clicking on the 'Add to My service List button'. Now the service will be listed, click 'Apply' as shown in the screenshot below to proceed:

Now the instruction page will appear as shown in the screenshot below. Read the instructions carefully and click on the 'continue' button to proceed.

Now, the following page will appear.

The screenshot shows a web application interface for boiler manufacturer registration. At the top, there are four steps: 1. Business Detail, 2. Review Details, 3. Fee Payment, and 4. Confirmation. The current step is 'Establishment Details'. The form includes the following fields:
