SINGLE WINDOW SYSTEM

The National Single Window System (NSWS) is a digital platform for guidance of investors to identify and to apply for approvals as per their business requirements. It serves as a single point of contact for investors. The portal serves as a source of information for investors on government

policies, incentive programmes, and infrastructure availability. It provides investors with documents to assist them in understanding the application

easier for several stakeholder departments to process and approve investment applications online. It also intends to provide a consolidated library of sector-specific investments in State and Governm programmes, and to provide high-quality and rapid service to investors.

cess for potential investment projects. The platform would also make it

shown in this page where we can see our Tracking ID, Application Date, Department, services, etc.
